15th June 2016

Dear Parent / Carers,

Following my parents meetings about security in school I would just like to repeat the messages that were told.

To ensure that your children are kept safe we must make sure that adults are not allowed in school. As you are aware we had an inspection in school last week and this matter was brought up several times.

We have decided therefore that to make sure your child is kept safe, **NO** adults are to be allowed in school. Please make sure that children are dropped off at their doors, on time, and adults are not allowed to walk through the school building.

Children who are attending clubs are to be picked up from the main office and we have put some chairs in the entrance porch.

If you do come to attend assemblies, parents workshops, meetings, etc. please make sure you pick up a visitors badge from the office. All the children have been asked to report any adults that are in school that are not wearing visitor badges.

I hope you do understand the importance of this letter and if you have any questions please come and speak to me.

Yours sincerely

J.Nish
Headteacher.
