19TH May 2016

Dear Parents / Carers

It is soon the month of Ramadan and I would like to inform you of the plans for any Year 3,4,5 and 6 children only, who may be considering fasting.

As fasting in Islam is not compulsory until the age of puberty, we want to encourage all our children to fast at the weekends or possibly, only, on a Friday. It is important to note that the fasts are going to be very long with long summer days and we are expecting hot weather. It will be very hard for younger children to observe fasts.

I also need to remind you that even though prayers will be late the children are still expected to be in school by 8:50 a.m.

If your child commits to fasting then they must not change from day to day as this will affect our school dinner numbers. Please complete the slip below to indicate if your child will be fasting.

I would like to wish you all a peaceful month of Ramadhan.

Yours sincerely,

J. Nish
